Swat

**Swat** with its calm landscape and rich academic potential, offers the perfect environment for focused learning. Swat Valley, often called the “Switzerland of the East,” is renowned not only for its breathtaking landscapes and serene environment but also for its growing academic and healthcare potential. The valley’s natural beauty provides an inspiring backdrop for reflection, learning, and innovation, making it an ideal location for scientific gatherings and professional development.

Beyond its scenic charm, Swat has emerged as a center for knowledge and progress. Hosting a radiology conference here underscores the region’s role in fostering education, collaboration, and growth. By bringing together experts and young professionals in this unique setting, we celebrate both the spirit of learning and the importance of investing in the intellectual and professional development of the next generation.

## Message of President RSP

### Prof. Dr. Ghulam Ghaus

I am truly honored to address you today as the President of the Radiological Society of Pakistan. It is my privilege to speak to the future leaders of our field.

First and foremost, I want to remind you of the immense blessing it is to be part of the medical and radiological profession. The Prophet Muhammad (PBUH) said, *"Seeking knowledge is an obligation upon every Muslim."* (Ibn Majah). And what a beautiful responsibility it is to pursue knowledge, especially in a field like radiology, where the work you do can save lives and improve the well-being of countless patients.

I want to remind you, my dear friends, that knowledge without purpose is like a body without a soul. The Prophet Muhammad (PBUH) also said, *"The best among you are those who learn and teach others."* So, as you

climb the ladder of success, don't forget that your journey is not just for yourself. You have a responsibility to uplift your communities, to help those in need, and to contribute to the well-being of our society and this is what we are doing of behalf of RSP.

I encourage you all to stay curious, to remain diligent, and to be inspired by the knowledge and opportunities that radiology offers. You are not just learning to read images on a screen; you are learning to unlock the mysteries of the human body, to find the answers that will guide physicians in diagnosing and treating patients, and ultimately, saving lives.

As the Radiological Society of Pakistan, we are here to support you every step of the way. Whether it's through our resources, networking opportunities, or ongoing educational events, we are committed to helping you grow in both knowledge and character. And I encourage each of you to reach out, collaborate, and engage with us- because together we can achieve so much more.

In closing, I remind you to always keep your hearts pure, your intentions clear, and your actions purposeful. May Allah bless you all with success in your studies, your careers, and your lives.

## **Message of Secretary General RSP**

### **Prof. Dr. Ummara Siddique Umer**

In the heart of Swat, we're bringing the next wave of radiology with bright minds and fresh ideas. By bringing together experts and young professionals in this unique setting, we celebrate the spirit of learning and the importance of investing in the professional development of the next generation.

It is an opportunity to learn smart, question boldly, earn your credits and challenge the ordinary because innovation loves curiosity.

It is a pleasure to welcome you to this CME-accredited scientific meeting in Swat.

Best Regards,  
Ummara

## **Message of RSP Councillor KPK**

### **Dr. Bakht Rokhan**

Dear Legends, Esteemed Colleagues, and Participants,  
Assalam-o-Alaikum

It is my great honour, as Chief Organiser and Councillor (KPK) of the Radiological Society of Pakistan, to welcome you to this one-day academic conference in the scenic valley of Swat.

My sincere thanks to the RSP Executive Body for entrusting me with this opportunity. To our pioneering radiologists and dedicated colleagues from across Pakistan—your presence inspires us all.

May the beauty of Swat enrich our discussions and strengthen our shared commitment to advancing radiology in Pakistan.

Welcome, and thank you for joining us.

Warm regards,

Dr. Bakht Rokhan  
Chief Organiser & Councillor (KPK)  
Radiological Society of Pakistan

## **Message of Finance Secretary RSP**

### **Dr. Abdul Saeed Shah**

On behalf of the organizing committee, I warmly welcome you to this conference. It is my great pleasure to welcome you to this conference, which brings together experts, researchers and practitioners dedicated to advancing the science and practice of radiology. In an era where physics, technology and medicine converge more closely than ever, this meeting provides a valuable platform for knowledge exchange, collaboration, and innovation.

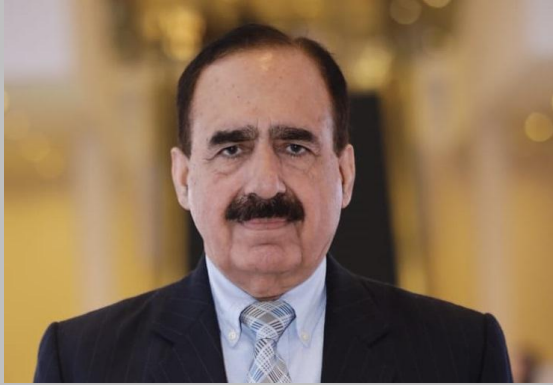

I wish you a stimulating and rewarding scientific experience.

# **Meet Our Speakers**

## **Dr Bakht Rokhan**

Chief Radiologist/ Associate Professor & HOD Radiology  
Saidu Teaching Hospital/ Saidu Medical College Swat

## **Prof. Hamid Akram**

M.B.B.S.(Pb), M.C.P.S.(Pak), D.M.R.D. (Pb)(Gold Medalist), F.C.P.S. (Pak)

Fellowship in MRI at Munich (Germany) and New York (U.S.A.)

Prof of Radiology HBS Medical College Islamabad  
Formerly HOD and Professor of Radiology at Army Medical College Rawalpindi

Founder Commandant of Armed Forces Institute of Radiology and Imaging ( AFIRI ) RWP

Formerly President Radiological Society of Pakistan(Twice)

## **Dr. Naila Nadeem**

Associate Professor

Residency Director

Pediatric Radiologist

AKU Radiology Department

Supervisor of PhD and MHPE students in addition to CPSP  
supervisor

Special interest in curriculum development and assessment  
in medical education

## **Prof Dr Muhammad Nawaz**

HOD Radiology, CEO / Dean Muhammad Teaching Hospital /  
Muhamad College of Medicine  
National Co-ordinator AOCNR (Asian Oceanian Congress of  
Neuro-Radiology)

*Professor and Head of the Department of Radiology at Muhammad Medical Complex, Peshawar, since 2023, holding an MBBS degree with DMRD and MPhil qualifications and Fellowship in Advanced Diagnostic Imaging from the National University Hospital (NUH), Singapore. Previously served as District Radiologist at Abbottabad, Assistant Professor at Khyber Teaching Hospital/Khyber Medical College (KTH/KMC), and Professor at Hayatabad Medical Complex/Khyber Girls Medical College (HMC/KGMC), Peshawar. Life member of the Radiology Society of Pakistan since 1998 and member of the Radiological Society of North America (RSNA) and the Asian Oceanian Society of Neuroradiology and Head & Neck Radiology (AOSNHNR) since 2007. Member of the Public Service Commission (PSC), Peshawar, with scientific papers presented at 15 international conferences and attendance at numerous additional international conferences, demonstrating extensive expertise in diagnostic and advanced imaging.*

## **Prof. Muhammad Nadeem Ahmad**

Professor of Radiology AKU Karcahi

*Dr. Ahmad is currently Professor of Radiology at Aga Khan University Hospital, Karachi, Pakistan, with over 30 years' experience in radiology and 70+ publications. Served twice as Chair of Radiology at AKU and as COO of AKUH. Has trained numerous radiology postgraduates. Served, twice as president of both RSP and SAARC Society of Radiology. Twice Chief Editor of Pakistan Journal of Radiology. Served almost two decades as the CPSP Faculty for Diagnostic Radiology, contributed as facilitator, national and international examiner.*

*Key strengths include Neuroradiology and MRI, teaching, administration, process improvement, CQI, and advancing clinical standards and innovations.*

## **Prof Dr Ghulam Ghaus Shah**

HOD Radiology RMI Peshawar  
President Radiological Society of Pakistan

*Dr. Ghulam Ghaus Shah is an accomplished Consultant radiologist with extensive training and experience of more than four decades in field of Radiology. He works as Professor of Radiology and Head of Radiology Department at RMI. His educational journey, administrative skills and professional achievements reflect his dedication to excellence in the field of radiology evident by maintaining a large radiological library.*

## **Dr. Mukhtiar Ahmed Memon**

Consultant Radiologist

Jinnah Postgraduate Medical Centre (JPMC) & Visting Faculty  
AKUH, Karachi

*Dr. Mukhtiar Ahmed Memon is a distinguished radiologist and educator, currently serving as Consultant radiologist at JPMC, Karachi., and Visiting faculty at AKUH, Karachi. He remained with Dow University of Health Sciences, Karachi for more than 3 decades. A dedicated and hardworking member of Radiological Society of Pakistan (RSP) since 1994. Currently serving as Secretary General (Elect). Dr. Memon played a pivotal role in introducing the FRCR Exam in Pakistan and serving as RSP'S nominated Focal Liaison Person and Lead Invigilator for conducting FRCR Exams here. Dr. Memon is recognized as an exceptional teacher, particularly in conventional radiology.*

*Dr. Mukhtiar's leadership, academic excellence, and commitment to the field of Radiology have earned him a revered reputation among peers and student alike.*

## **Brig. Saerah Zafar**

Consultant Radiologist

Commandant of Armed Forces Institute of Radiology and  
Imaging ( AFIRI ) RWP

*Dr Saerah Iffat Zafar is currently commanding Armed Forces Institute of Radiology and Imaging (AFIRI). Her area of expertise is cross sectional imaging with special interest in liver Transplant and hepatobiliary radiology- attaining clinical fellowship from Beijing Friendship Hospital China. She has also done advanced training from St Thomas Hospital UK in Neuro and MSK Radiology.*

## **Dr Shaista Afzal Saeed**

Associate professor

Vice chair academics

Women imaging Fellowship program Director at Radiology  
AKUH

Special interest in Women imaging and medical education

President NBRSP and member SBI outreach committee

## **Prof. Dr Ummara Siddique Umer**

Professor of Radiology RMI

Director Training Program and Academic Lead Radiology RMI

Certified in Cardiac and Body Imaging

Fellowships in MSK Imaging

Secretary General RSP 2026

## **Prof. Dr Sadaf Nasir**

Professor of Radiology Liaquat National Hospital Karachi  
With special interest in women imaging and Musculoskeletal  
Imaging  
Mini fellowship on musculoskeletal imaging from Malaysia  
Mini fellowship in breast imaging from Singapore  
Editor in Chief of PJR and NRJP

## **Dr Tahir Qadeer Khan**

MBBS,DMRD,DMJ,CMT

Chief Consultant Radiologist Mayo Hospital / King Edward

Medical University Lahore

President Forensic Radiological Society of Pakistan

**Prof. Dr. Aman Nawaz Khan**  
Consultant Interventional Radiologist RMI

## **Dr. Muhammad Kamran Khan**

Consultant Interventional Radiologist LRH

MBBS, FCPS, MPH, FCVIR, EBIR, CHPE

Interventional Radiology fellowship RMI

### **Dr. Mubbashir Latif**

Alumini of Saidu Medical College  
Medical Sonologist Lady Reading Hospital Peshawar

### **Dr. Muhammad Zeeshan Khan**

Fellow interventional radiology at SKMCHL  
Currently working as FCPS fellow of vascular interventional  
radiology at RMI

# Scientific Program

14 Feb 2026

Shelton Rezidor Hotel Swat

Time		
8:00 AM	Registration and Seating	
8:25	Recitation of Holy Quran	
8:30	Welcome Speech	Dr. Bakht RoKhan
8:40	Keynote Address	Dr. Hamid Akram
9:00	Chief Guest Speech	
9:15	Imaging of Urolithiasis	Dr. Muhammad Nawaz
9:30	Pediatric radiology, "pause and think" cases	Dr. Naila Nadeem
9:45	Radiographic assessment of lines, tubes and cardiopulmonary devices	Dr. Mukhtiar Memon
10:00	Shoulder Labrum MRI	Dr. Ummara Siddique
10:15	Quiz for Trainees	
10:45	Free Papers Competition (shortlisted submitted abstracts)	
11:30	<b>Tea and Posters Review</b>	
12:00 PM	Radiology Myths: Fiction Vs Facts	Dr. Nadeem Ahmed
12:15	Breast Imaging Duo: Where Mammography Meets Ultrasound	Dr. Shaista Afzal
12:30	Practical approach for interpretation of Breast MRI	Dr. Sadaf Nasir
12:45	Don't be first radiologist in court of law	Dr. Mubbashir Latif
1:00	From Scan to Statement -Mastering Forensic Radiology Reporting	Dr. Tahir Qadeer
1:15	Metabolic disease spectrum on MRI brain - real life scenarios	Dr. Saerah Zafar
1:30	Conference Highlights	
1:40	Remarks by President RSP	Dr. Ghulam Ghaus
1:45	Closing Ceremony	
2:00	<b>Lunch</b>	
	<b>Workshops</b>	
3:00-5:00	Hands-on Mammography Workshop	Dr. Shaista Afzal
5:30-9:00	IR Workshop: Image Guided Drainage & Biopsy	Dr. Aman Nawaz Khan Dr. Muhammad Zeeshan Dr. Muhammad Kamran

# Workshops

## • IR Workshop: Image Guided Drainage & Biopsy

### **Facilitators:**

Dr. Aman Nawaz Khan

Dr. Muhammad Kamran

Dr. Muhammad Zeeshan

- Mammography and Stereotactic Biopsy:

**Facilitator:**

Dr Shaista Afzal

# Accomodation and Hotels

**Contact:**

0344 9446666

Dr Asif Iqbal

Focal person for Accommodation of Delegates

# Registration Details

## Registration Fees:

PKR 1000 (till 5 Feb 2026)

PKR 2000 (after 5 Feb 2026)

PKR 5000 (On-site 14 Feb 2026)

## Conference Registration:

<https://forms.gle/gD4YNJpgMaPgonEq7>
